

The Natural Luxury Bed Collection

BESPOKE FABRICS

VI-SPRING
Life-Changing

Every Vi-Spring bed is finished with the finest natural fabrics, to offer unmatched luxury, comfort and style. The Vi-Spring Bespoke Fabric Collection includes sleek satin, rich velvet and traditional tartan, woven from premium natural fibres such as linen, cotton and silk.

Browse the Vi-Spring Bespoke Fabric Collection for the fabric you would like to cover your mattress, divan and headboard. With five volumes of exquisite designs to choose from, you are sure to find the look that best suits your taste and décor, providing the perfect finish for your bed.

Supplementary charges

The Fabric Collection is divided into five volumes. Fabrics from Volume I(a) and Volume I(b) do not have a supplementary charge, so the cost of these fabrics is included in the cost of the mattress, divan set or headboard. If you choose a fabric from any other Volume (ensuring its suitability by checking the M, H or D code) then the relevant supplement will apply:

Volume II

Supplement A applies

Volume III

Supplement B applies

Volume IV

Supplement C applies

For full details of pricing please contact your nearest Vi-Spring Specialist. *Refer to our website life-changing.com for a full listing of Vi-Spring Specialists with location and contact details.*

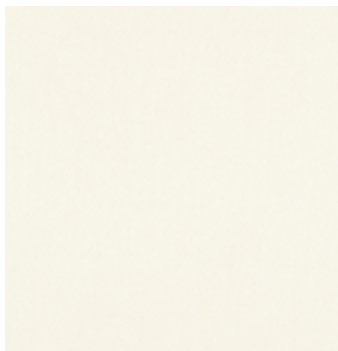

Key to fabric suitability

Not all fabrics are suitable for use on mattresses, divans and headboards. To identify the suitability of the fabric each has been coded as follows:

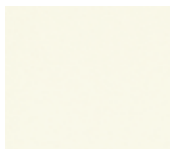

- M** Mattress ticking
- H** Headboard
- D** Divan

The complete collection of Vi-Spring beds and headboards can be found in the Vi-Spring Natural Luxury Bed Collection brochure. Ask your Vi-Spring Specialist for your copy, or request via our website: life-changing.com

The Vi-Spring Bespoke Fabric Collection

The Vi-Spring Bespoke Fabric Collection

Sumptuous silk, rich velvet, soft suede – only the finest fabrics and coverings have been chosen for the Vi-Spring Bespoke Fabric Collection. Every one will provide the quality of design and finish you expect for your Vi-Spring bed.

Choosing fabrics

Selecting the fabric to cover your Vi-Spring mattress, divan and headboard is an important decision. To give you a true appreciation for the quality, colour and feel of all the fabrics in the Vi-Spring Bespoke Fabric Collection, all retailers have sample books to help you make your choice.

Unique designs

The Vi-Spring Bespoke Fabric Collection has been extended

and refined. The selection now includes the finest natural fibres, such as premium silk, linen and cotton, for absolute luxury and comfort as you sleep.

Select from plain and patterned designs in a range of colours and textures, for a traditional or contemporary look. You can also choose either a fully upholstered finish or removable, tailored loose covers.

Interior design service

Vi-Spring can personalise your bed with your own fabric, to complement your décor and style. Your material must be supplied with the manufacturer's written confirmation of fabric composition and fire retardancy. In the UK, the customer's own fabric can

be used only for the bed's headboard, due to stringent fire regulations.

Request samples

You can request sample swatches from the Vi-Spring Bespoke Fabric Collection by calling Customer Services on 01752 366311, or email info@vispring.co.uk

life-changing.com

Please note Many of the fabrics in the collection have a direction in the weave and are woven in upholstery width only. Therefore it may be necessary to put discreet joins in the borders of divans and in headboards.

Vol III Velvet Crush

Divans will be made with an insert in the top panel to match the mattress fabric.

Vol IV Pure Wool

Mattresses over 182cm wide will have a join in the mattress panel.

Please note that the colours are as accurate as possible. Due to print limitations, actual fabric colour may vary. Vi-Spring reserves the right to alter specifications without notice.
